PROFILE SUMMARY

Hi there!, I'm Abdullah, a curious frontend developer who's trying to get a bit better every day.

I currently studying in S.Y.BCA from Tilak Maharashtra Vedyapeeth, Pune.

I have always had a knack for technology and working with computers. Fascinated with how intricate programming can be I was quickly drawn to learn more. I started learning JavaScript and was even more enthused with making websites interactive

PROJECTS

Movie-Metropolis, 2 Months

College gave me a project to make clone of any website with frontend and backend. So I made a MERN project with a team of 4 members, and gave my project name is Movie

Metropolis.

College Project, 5 Days

University gave me a Assignment to make a website with HTML, CSS and Bootstrap5.

It take 5 days to complete, for making it responsive I face some trouble, but I did not give up made it
